Muitas das outras espécies devem ter percebido que pessoas estão a disparar e a matar. English: animals, that if they don't do something, their life is going to be very short and we're very capable of taking lives in the present. Carnivores use hunting as a major survival strategy. Like me, they're ruthless killers, and we can be destructive to each other, all at once. We're better off killing one animal than having it kill us. It's kind of like Darwin's theory. His theory of natural selection, where the fittest survive and the more successful we become, the more we have to kill other animals to survive. Nature can be really cruel sometimes. C. B. - [Female] I'd like to get an update on your latest interaction. - Where were you? - Pecan Springs. And what was your condition? - I'm really excited that they came. Spanish: Si no hacen algo, su vida será muy corta y somos muy capaces de tomar la vida en el

presente. Los carnívoros utilizan la caza como una gran estrategia de supervivencia. Al igual que yo, son cazadores listos, y podemos destructor entre nosotros, en un solo tiempo. No estamos mejor que los que maten. Es como la teoría de Darwin. Su teoría de la selección natural, donde los más aptos se quedan y más siempre más ganan, en consecuencia, tienden a matar animales para sobrevivir. La naturaleza puede ser cruel en ocasiones.
